PANTHER

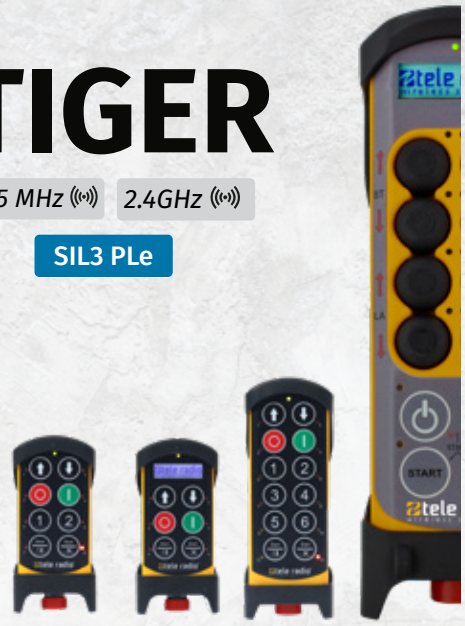
2.4 GHz | CAT3 PLd

- **Interference-free:** operate hundreds of systems simultaneously in proximity.
- **Fail-safe:** Safe mode, emergency stop, redundant safety-relay monitoring.
- **Insta-pairing technology** iniciated by pressing sequence of buttons.
- **Flexibility:** Single transmitter to multiple receivers and vice versa.
- **Input/Outputs:** Relays, analog, digital, CAN, J1939, Modbus/RTU, PWM.

TIGER

915 MHz | 2.4GHz

SIL3 PLe



- **Highest safety rating** Complies with SIL3 IEC 61508 standard and PLe.
- **Advancing programming** capabilities.
- **Duplex Communication** via display and LEDs.
- **Operator Interface**: Digital and proportional pushbuttons.
- **Input/Outputs**: Relays, analog, digital, CAN, J1939, Modbus/RTU, Profibus.
- **Environmental Protection** (IP65-IP66).

TEQ

915 MHz | 2.4GHz | 433 MHz

SIL3 PLe | CAT3 PLd

- **Fully customizable**: OEM-specified design of hardware, software and connectivity.
- **Complete system integration.**
- **Notifications/Alarms:** Haptic, visual and audible indications.
- **HMI:** Human machine interface via joysticks, paddles, pushbuttons, toggle switches, dials...
- **Input/Outputs:** Relays, analog, digital, CAN, J1939, Modbus/RTU, PWM.

FC IC CE
Approved

CAT3 PLd, SIL3 PLe Approved Products

ISO
ISO 9001 and ISO 14001 Certified

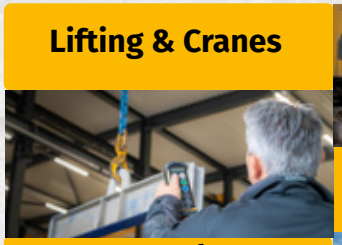
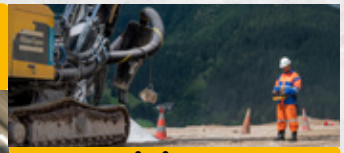
Members of MHI (ACE)

World Wide Company with Global Support

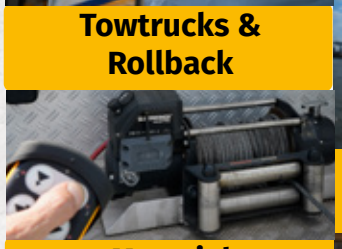
2-year Manufacturers Warranty



Lifting & Cranes



Mining & Construction



Towtrucks & Rollback

Marine & Hydraulics

Material Handling

Industrial & Machinery

- Doors & Gates
- Barriers
- Conveyor Belts
- Gantry Cranes
- EOT Cranes
- Electrical Hoists
- Tower Cranes
- Winches
- Recovery Vehicles
- Vessel Dredges
- Mining Excavators
- Tile Plows
- Rescue Vehicles
- Vacuum Trucks
- Silage Covering
- Transport Trailers
- Harvesting Machines
- Rock Crushers

Why Tele Radio?

SAFE

Our remote control solutions are designed with advanced safety features, including emergency stop functions and secure signal encryption, ensuring reliable operations even in the most demanding environments.

SMART

With customizable controls, ergonomic designs, and innovative technology, our solutions streamline workflows and enhance precision.

STRONG

Built for tough environments, Tele Radio products deliver consistent performance, providing the strength and reliability needed for demanding applications.
